Bright Butterflies May 2018

Happy Mother's Day to our Moms! We are very excited to spring into Spring! Our Bright Butterflies will be having a lot of fun with art this month. We will be doing group art projects, as well as having lots of play, messy art, and experiments in the water table. I'm sure the children will be excited to show you their creations!

We have a few more birthdays this month! Be sure to check the calendar so that you know what day treats will be brought into class.

The second week of this month, May 7, we will be celebrating Fun Day. Please make sure kids have a change of clothes in their bag in case they get too wet.

The last day of school will be Thursday, May 16, and Monday, May 21. We will miss you all! We are here to support your child's positive development in any way we can, so please let us know how we can be of assistance to your child as we learn and grow together. Have a wonderful summer!

God Bless You!
