

December 2018

## Dragonflies M/W Newsletter

I am so excited to be able to come back to be with your children. I have missed them. This has been a long month but my foot is better.

This is the month of celebrating our Lord's birth. The first week our theme will be the story The Gingerbread Boy and our Bible Story is Mary and Joseph. The 2<sup>nd</sup> week of December our theme will be the Nativity and Christmas Trees. The 3<sup>rd</sup> week our theme will be The Three Wisemen and Needs & Wants. We will also be studying the letters C and Q, reviewing the numerals 1-5 and introducing 6. We also will continue to practice writing, cutting, and we will be doing some fun art activities!

### Conversation Starters with your child:

Discuss the differences between needs & wants and why. What is Christmas about? Why do we celebrate? Why do we give gifts?

### Dates to Remember

**December 19 - Christmas Program 1:00 (details to come)**

**December 20<sup>th</sup> through Jan 6<sup>th</sup> - Christmas Break (school resumes Monday January 7<sup>th</sup>)**

Blessings this Christmas season! Denise & Marilyn
