

# December 2018

## Explorers Newsletter!

Here we are in December already. Our school year is flying by and we are enjoying our time with your sweet kiddos!

Our lessons for December are about our Earth, Space and Stars. We will learn about gravity and take a space trip to the moon. We will also make some yummy gingerbread cookies!

On bad weather days please check the news for school cancellations, though we will always send an email and post on Facebook. Remember we follow the Shawnee Mission school district!

Our last day in Explorers for this calendar year is December 18, and the Christmas program & last day of school is December 19. School will resume on January 7, 2019 !

We hope you all have a spectacular and blessed Christmas and safe new year! We appreciate you all!

Merry Christmas and Happy New year!  
Cindi Doerr and Carolyn Kusmin
