

January 2021

Gold Room TTH

Happy January Gold Room Families,

I hope that everyone had time to enjoy the magic of Christmas with your families and you were able to rest and have some fun as a family! Wow, how is it already 2021?! Let's pray that this year will be full of joy and prosperity for people all around the world. We have so much to look forward to and learn over the next several months in preschool! School will start for Colonial on January 6th.

In the Gold Room this month, we will be focusing on all things snow! Let's hope we get one big snow to bring the excitement for the kiddos. We will be reading books about snow, making snow crafts, and may even have a special snowy day treat. Throughout January, we will learn about Jesus' miracles. Miracles are all around us, big and small, and it's so important to be thankful for these. Another important part of preschool is kindness. This month we will be focusing a lot on how to be kind, how it makes us feel when others are kind, and spreading kindness all around. We will be having an acts of kindness challenge in our class. I will send home a recording sheet for you to share acts of kindness that have been done outside of school. These do not have to be big or over the top, just something simple to help your preschooler see how we can all spread kindness each day! Thursday, January 21st, will be our PJ/Bear Day. Children may wear their pajamas and bring a bear or other lovey to school.

We will be working really hard on writing our names this month, so please practice at home when you have the chance! Please also practice counting to 30. Driving in your car is a great time to practice counting with your preschooler!

As always, please let us know if there is anything we can do for your families and have a wonderful January!

Blessings,

Jordan Lucas and Cheryl O'Donnell

Curriculum Goals
