

November 2020

Gold Room Newsletter

Dear Parents,

Happy November! This year already seems to be flying by and it has been so fun watching all the Gold Room students grow and learn this past month. I hope that in the current state of our world and all of the unknowns, you are finding peace in sending your child to preschool this year and know that it is a place of growing, learning, consistency, and fun! We are always here for our families and here for you all if you ever need anything! November is a much needed month as we can focus on all that we are thankful for and I know one of my greatest blessing this year has certainly been Colonial Preschool and the wonderful little lives we get to be a part of.

November will be a month of thankfulness and fun! This month we will spend a lot of time discussing what it means to be thankful and focusing on those parts of our lives. We will also be starting show and tell this month. Each day, one student from the class will bring something from home to share with the class. If you have the time, please practice telling at least 3 things about their item at home so that they will be comfortable sharing with our class! I will post in Seesaw to let you know when your child's turn for Show and Tell is coming up!

If you have been at Colonial Preschool in the past, you know that we have a Thanksgiving Feast for the kids. This may or may not be a possibility this year with Covid, but more details will be provided as the time gets closer if we are able to do some sort of celebration. Speaking of celebrations, we are entering a couple of months where we will have lots of birthdays coming up. Please let me know through Seesaw, if you would like to send prepackaged treats to celebrate and we can pick a date that works for everyone!

Enjoy your families this month and take some time to reflect on all that you are thankful for!

Blessings,

Jordan Lucas and Cheryl O'Donnell
