News from the Green Room!

Happy New Year Green Room Families!

January promises to be a fun month! On Wednesday, January 20th, we will be having a PJ/Bear Day in the Green Room. Your child may wear pajamas and bring a favorite teddy bear to school that day. Slippers are not preferred due to recess outside. It is a special day full of many fun "bear" activities.

It is hard to believe that our year is already half over and Kindergarten is getting closer and closer for the TK children. You might consider working on important Kindergarten skills at home such as tying shoes, spelling last names and learning addresses. We will switch our morning check in routine this month by checking in with our last names. We will also continue to plug away on letter recognition, the sounds letters make and letter formation. I encourage you to work on these skills at home, even if for a short few minutes each night. I am amazed at what your children have accomplished and hope you are as well!

Blessings!

Jenny & Megan
