News from the Green Room!

Dear Parents,

As a class we have watched the leaves turn beautiful shades of yellow, red and orange and marveled at the beauty of the changing season! Over the last month, we feel that the Green Room has really bonded into a special family. It is a joy to see your children learn and grow as we celebrate the process together.

I am so sorry that we will not have the opportunity for Fall Conferences. I hope that the report cards and assessments give you some insight into your child's school days. We are so proud of the progress the children have made already.

Also, thanks to the families who organized and brought goodies for the Halloween/Fall party. Your preschoolers love the chance to celebrate! We will be celebrating Thanksgiving on Tuesday, November 24th. We will participate in a Thanksgiving Feast in our classroom this year. Students should bring their usual lunches but will eat together by creating one large table to create the feeling of family. Of course, we will use our individually created Native American headbands and special placemats.

We will also be talking about the meaning of Thanksgiving and what we are thankful for during the month of November. Please send a picture of your family to include in our class family book. These will not be returned, so a copy is preferred. As mentioned in Seesaw, we are also collecting pictures of your children in their Halloween costumes and a favorite candy wrapper. All of these will be used for class books. Your help is appreciated so that each child can have their own special page in the book.

Remember we are closed November 25th and 26th for the Thanksgiving Holiday. Have a Happy Thanksgiving and know that we count each of your children as one of our blessings!

God Bless!
