Green Room Newsletter!

Hello Green Room parents!

We can't believe that this is our last month of school. What a wonderful year this has been. Your children have given us so much joy and laughter. We are really going to miss your children and all of your parents. Thank you for supporting us with providing all the wonderful recyclables and supporting the charitable activities your children did this year. Your constant support and friendship has been amazing. Thank you.

This month we will be working on the theme "Where we live". We will be talking about where we live in the world. We will also be designing their "dream bedrooms". Each child will be able to design their own bedroom using materials we have at school. We are so excited to end this year with a project that will let each child use their creativity, and we can spend some time together having a lot of fun.

Conversation Starters with your children: What city and state do we live in? What things will you like to remember about their time at Colonial Preschool?

Dates to Remember:

Tuesday, May 21 - Graduation at 1:00 in the Sanctuary (cookie reception to follow!) and last day of School.

Blessings, Julie and Cheyenna
