NEWS FROM THE BLUE ROOM

Dear Parents,

The final stretch to summer is somehow before us already! We are going to squeeze every last bit of learning and fun into our few days in May. We will spend our time reviewing letters, numbers, shapes as well as talking about ocean life and summer adventures. We will also be practicing our bible verse (Galatians 5:22) and song for the End of Year Celebration on Tuesday, May 14th. You won't want to miss it!

It was so great meeting with each of you at conferences to talk about your children. It has been a true pleasure and blessing teaching your children this year and celebrating their development along the way. We are so excited for what kindergarten and TK have in store for them in the fall!

With joy and love,
Mrs. Smith and Mrs. O'Donnell
