News From the Blue Room!

Dear Parents,

I hope by now that you've had time to review your child's Spring report card and assessments. If you have any questions, please feel free to contact me. Included in the report card envelope were some summer activities for continued learning. Most importantly, give your child lots of opportunities for exposure to written text and hands on writing activities.

We will have a busy month of May with many fun activities. On Monday, May 6th will have "Fun Day". This involves lots of fun games and activities, most of which are outside if the weather permits. You may want to consider sunscreen on this day. We are also preparing for our End of the Year Celebration. This will be held for all parents and family on Wednesday, May 15th at 12:45 in the Colonial Sanctuary. Children will be dismissed to their parents after the program. Our last day will be on Monday, May 20th.

I have enjoyed your children so much this year! It has been fun to watch them blossom and see the changes in each of them. I will miss seeing them every week. Thank you for sharing them with me and allowing me to love on them. They are so special!

Have a great summer!

Jenny Stone

Curriculum Goals
