

## News From the Blue Room!

Dear Parents,

Thank you to everyone who was able to attend conferences. It was wonderful to meet with you all and discuss your children's successes. When time allows, please take a moment to fill out the Parent Surveys that I sent home. Your feedback is appreciated as I continue my journey in preschool.

We had a fun April learning about the rebirth that comes with Spring, although at times it felt like we were still living through Winter! Please continue to send jackets on cool mornings since we never know what to expect from this Kansas weather.

We will have a busy month of May with many fun activities. On Monday, May 7, we will have "Fun Day". This involves lots of fun games and activities, most of which are outside if the weather permits. You may want to consider sunscreen on this day. We are also preparing for our End of the Year Celebration. This will be held for all parents and family on Wednesday, May 16, at 12:45 in the Colonial Sanctuary. Children will be dismissed to their parents after the program to enjoy a cookie reception in the Fellowship Hall.

Carolyn and I have enjoyed your children so much this year! It has been fun to watch them blossom and see the changes in each of them. We will miss seeing them every week. Thank you for sharing them with us and allowing us to love on them. They are so special!

Thank you for everything you have done for us this year. (and the past two years to some of you) Your support has meant the world to us. We appreciate each and every one of you.

Blessings!

Jenny & Carolyn

## Curriculum Goals

---

- Spiritual:** "For the grace of God...teaches us to ...live self-controlled, upright, And Godly lives." Titus 2:11-12
- Virtue:** Self-Control
- Cognitive:** Letters Yy, Uu, and Zz . Reviewing all shapes and all colors. Numbers of the month are 10 (diez) Spanish counting 1-20
- Physical:** Fine Motor: cutting, finger printing, hand printing, fringing, tracing, and writing our first and last names. Gross Motor: ball skills with balloons and paddles, motor planning with all kinds of balls. We will practice T-ball as well.
- Social:** Learning to be good friends.
