Orange Room Newsletter

Hello Parents,

Can you believe it, only six school days to go! This year has flown by so fast. We have absolutely loved having your child in our classroom and you have been wonderful parents. We cannot tell you how much we appreciate you and the support that you give us here at Colonial. This summer please read, read, read, with your children and get them outside to play, play, play. Playing is learning!

Monday, May 6th we will have a "Fun Day" in the morning. We will rotate around to different outside stations. Please make sure your child wears comfortable clothing on that day and has sunscreen on before they arrive at school.

To wrap up our year we will have an End of the Year Celebration for you to watch on Wednesday, May 15th at 12:45 in the sanctuary. (Don't forget to bring your tissues). There will be a cookie and punch reception following. We will then have our last day of school on Monday, May 20.

Thank you for sharing your child with us this year!

Blessings,

Jenny Buck and Cheryl O'Donnell

Curriculum Goals

Theme: Weather
