News from the Purple Room!

Dear Parents,

We have had a fun April learning about the newness and rebirth spring brings us. We have enjoyed playing outside when the weather has been warm enough! Please continue to send jackets on cool mornings because we go outside, early, and many times it is still quite chilly out.

We will have a busy month of May with many fun activities. We have Mother's Day coming up and special things to make (a surprise of course). We will be working on prewriting skills, holding a pencil correctly, and practicing writing letters and names (if they are ready.) I have asked the children to write their own name (first only) on their papers if they can, so keep practicing at home. We will be learning about Farm Animals, the Ocean and Jonah and the Whale. We will have a Fun Day on May 7 and 8. Our color for the month is black, so wear black on Wednesday the 2nd and Thursday the 3rd. We are going to be doing some gardening this month. We thought it would be fun to eat dirt and worms for a snack on May 2 and 3. Would anyone be interested in making that for our snack?

Kim and I have enjoyed your children so much this year! They have been a wonderful class and we are going to miss them so much. Thank you for sharing them with us and allowing us to love on them. They are so special!

Please continue to work on recognition of letters and the sounds they make, numbers and counting objects to 10, and read to them as much as you can this summer.

Thanks for everything you have done for us this year. Your support has been awesome!

In His Love,

Diana and Kim

Curriculum Goals
