Yellow Room Newsletter

Dear Parents,

Our school year is almost at an end. As we finish our final weeks, we will revel in the friendships we have made with you and the love we have shared with your sweet children. Thanks so very much, parents, for the support, concern, and loving care you show to your children. We see the reflection of that in them!

As we discovered at conferences, our students have made notable progress in every area-even new shoes for growing feet! It has been our pleasure to help foster this development and play a role in their early education.

Our End of Year Celebration will be presented May 14, at 12:45, in the Sanctuary, by the Pre-K classes. We sure hope you will be able to attend...it's very sweet.

Many thanks for your encouragement to us personally, and for your contributions to our preschool program. We've had a wonderful year with your little ones. They are so dear to our hearts. God's greatest blessings to each of our very *special* families.

With Our Love,
Lucy and Jane
