M/W Lively Ladybugs April 2018

Dear Parents,

We seem to finally be enjoying some warmer weather. "April Showers bring May Flowers!" We have spent so much time indoors and will be excited to spend time outside. Our children strengthen growing muscles when they are climbing, running, playing ball and jumping. This month we will also be taking time to discuss all the changes going on outside all around us.

Conference time is approaching on Wednesday, April 11th. We would love for all parents to be at conferences, it's a great way to learn about your child's progress. Please look for a sign up sheet outside the classroom.

This month we will be learning about flowers growing, colors around us, and gentleness. One thing parents can do is take the time to point out all of these wondrous miracles God shows us in everyday life. You will be helping their language, communication skills and help them to be eager learners.

In honor of springtime, we are also going to be learning all about growing. This is a topic that has all the children buzzing! They are increasingly aware that they are growing bigger and bigger each day, so we will embrace this in our classroom through art, science and reading this month.

Please send in a baby picture of your child. We will be using them in an art project to show how much we all have grown!

Happy Springtime!

Love and Blessings,

Ms. Ashley & Ms. Brook

Reminders

- April 9-12: Book Fair
- April 11: Parent Teacher Conferences, No School, Childcare provided during conference time only.
- April 18 & 19: Nancy Lewis Day
