M/W Lively Ladybugs May 2018

Dear Parents:

It's hard to believe that our school year is almost at an end! The month of April was spent learning about spring, Earth Day and observing our caterpillars change into butterflies. The month of May will be devoted to getting ready for the end of the school year, so that we can provide the students with closure. Looking back at the pictures I took at the beginning of the year, I am amazed how much our preschoolers have grown. They are doing things on their own, have developed their individual personalities and my, have they changed physically!

A preschool good-bye "Sticky fingers, runny noses, head, shoulders, knees and toes-es, shapes and colors, ABC's, taking turns and 123's. Toothless smiles, hugs and giggles, circle time, and lots of wiggles. Wooden blocks and dress-up clothes, learning how a flower grows. Milk and cookies, first-time friends, thinking days like these won't end. Preschool's done before you know it.. Like a butterfly, time has flown, you have learned and you have grown. So take off now, spread your wings, soar to new heights, learn new things, Just remember as you do - your Ladybug teachers are very proud of you!"

We thank you parents for your support throughout the year, and entrusting your child with us.

Love and Blessings,

Ms. Ashley & Ms. Brook
