

November 2020

November News

Dear Parents:

We welcome November and a month FULL of STEM (Science, Technology, Engineering and Math) concepts! We love to build, design, and re-engineer things, so the Orange Room will be working hard on all these concepts.

Mrs. Dyer and I are finding the happy balance between challenging your kid's incredible minds, but not pushing them too much during our table/large group work times. We want to provide meaningful, fun, engaging and practical ways to reach milestones appropriate for their age group. If you want a GREAT milestone tracker for your child's age, download the app "CDC Milestone Tracker" (it has an icon of a crawling baby).

Our scripture this month:

"Let the peace of Christ rule in your hearts..."

This month:

STEM PROJECTS galore! Gadgets, Pulleys, Catapults, Airplanes, etc.

SIGHT WORDS: a, to, an (AN word family: can, tan, pan)

COLORS: Brown, Black

NUMBERS: Writing, Counting practice 1-20.

Your kids are so much fun, and we love serving them each day!

Please check snack sign-ups on Seesaw for the rest of the semester. We appreciate it!

Most Sincerely,

Mrs. Eyler & Mrs. Dyer
