## T/Th Busy Bees May 2018

Dear Parents,

It's hard to believe that it is May already and our year together is almost over. It has been such a pleasure to get to know your little ones and to watch how much they have grown since September. We are so proud of each child's in progress, growth and how well they have adjusted to their first school experience. It has been such a fun year filled with so much joy, laughter, and cuddles that we wouldn't trade for anything in the world. They have all made a special place in our hearts and it makes us sad to say goodbye, but hopefully we will get to see them in the fall.

Our month will consist of: talking about Farms/Farm Animals, learning about Jonah, honoring our Mom's and Dad's, watching our caterpillars turn into beautiful butterflies before our eyes, and having our year end parties. We will pack all of this into just 6 days.

We wish each of you a wonderful summer that is filled with special memories with your family.

We have been so blessed to have each of you and your children touch our lives. Thank you so much for sharing your precious babies with us!

Many Blessings,

Ms. Julie & Ms. Mercedes
