## T/Th Busy Bees May 2019

*We will miss you!*

Dear Parents,

It's hard to believe that it is May already and that our year together is almost over. It has been such a pleasure to get to know your child and to watch how much they have changed and developed since September. We are so proud of each child's progress, growth and how well they have adjusted to their first school experience. It has been such a great year filled with so much joy, laughter, and fun that we wouldn't trade for anything in the world! Each child has made a special place in our hearts and it makes us so sad to say goodbye. Hopefully we will get to see them in the fall.

Our month will consist of: talking about Small Animals, learning about Jonah and the Whale, "favorite" activities and having our Year End Party.

We wish you and your family a wonderful summer that is filled with special memories.

We have been so blessed to have each of you and your children touch our lives. Thank you so much for sharing your children with us!

Many Blessings,

Ms. Jana & Ms. Mercedes
