Dear Ladybug Parents,

Happy Spring! It is that time of year again when we are having Parent/Teacher conferences for your little Ladybug. It is a fun time to see how far your child has come in such a short amount of time! Your children are amazing little learners! We will have the sign up sheets out for the April 10th conference date. There is childcare available during your conference time. If you cannot attend the time frames offered, just chat with me and we can either do a phone conference or meet some other time before or after school. I am looking forward to chatting with you. Your children are each so special to us!

Earth Day is April 22, so we will be talking about what it means to be a good steward of our planet this month. We will also be talking about nursery rhymes and Storybook Characters. Our virtue is *Gentleness* and we will talk about Jesus as gentle as a lamb as we learned at Easter!

Spring is all about new life! We will be learning about insects and how they transform throughout their different stages of development. We will talk about how plants grow in stages too. Spring and kites go together so will be decorate our own kites.

Thank you so much for all you do!

Blessings,

Ms. Shanon & Ms. Nayara
