Mission:

To empower individuals, businesses, organizations, and churches to come together and connect Winter Haven, by working together to renew people and places, one life-transforming deed at a time. Jobs For Life is a biblically based, no-cost transformational, 8 week program that helps the under-employed or unemployed find their right work-place.

Students meet twice a week for dinner followed by two hours of interactive instructions. The journey toward success is maximized by pairing each student with a mentor who walks alongside coaching and encouraging.

The primary responsibility of Champions is to commit to the journey with a Jobs for Life (JfL) student for a 2 to 6 month period to provide friendship, support, guidance, assistance and a sense of community that will help the student complete the course and overcome employment barriers. Track and report student progress through the post Jobs for Life follow-up period.

Volunteer:
