

As of right now we will only be opening our kids ministry for the 10:40 service.

Here is what you can expect:

- Smaller classroom sizes for social distancing

- Increased cleaning of high touch surfaces & toys in between service

- New Check-in procedures

- Frequent handwashing

- No snacks

- Leaders will wear masks

How you will check in:

Step 1: TOUCHLESS CHECK IN

On your way to church please text "check" to 863-875-1090 to check in and send tags to the printer. Stop by the check-in desk to get your tags.

Step 2: TEMPURATURE CHECK

For now all children will have their temperatures checked. Any child with a temp over 100.5 will not be admitted.

Step 3: HAND WASHING

All children will need to sanitize their hands before entering the Kidmin Environment. Sanitizer will be provided.
