

100 Days of Prayer Week 6

Prayer of Petition Day 3

Philippians 4:6 NIV

Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God.

Today let us come into agreement for those who need provision and supply in their finances right now. The scripture says clearly who is our source and who will supply in our lives.

Philippians 4:19 NKJV

And my God shall supply all your need according to His riches in glory by Christ Jesus.

Psalms 37:25. NKJV

I have been young, and now am old; Yet I have not seen the righteous forsaken, Nor his descendants begging bread.

Our heavenly Father has provided over and over again for His people. If I listed all that He has done for His people it would be page after page of His provision. So the question is what has changed? Has He changed? NO! Look at what the word says:

Malachi 3:6. NKJV

"For I am the Lord, I do not change;"

So let us come into agreement for our brothers and sisters in Christ who are lacking today or in need of finances and provision for their families.

Father God we come to you in the mighty name of Jesus, asking in faith for our brothers and sisters in Christ who have lost income or jobs during this season. We believe Your Word is true. You are our supply and Your seed will not lack or have to beg. We pray that favor for jobs and income would come to Your people. We pray that Your people would be faithful stewards of what has been given to them. We pray that all of us would be thankful, even for our daily bread as Jesus taught us to pray. We come into agreement for the provision and supply to come to Your people according to Your word. We ask this in the mighty name of Jesus. AMEN (Pray for those who you know personally who are struggling, as you pray ask God what you might do. He often works through us.)
