

**Mother's Day Baby Shower & Brunch
Sunday - May 13 - in Dade Hall
Following the 8 & 10 a.m. Services**

**St. Luke's Episcopal Church
1755 Clay St. (at Van Ness), SF, CA 94109
415-673-7327**

Once again, St. Luke's will hold a Mother's Day Baby Shower, this year to benefit the Bayview Mission. Donations in the form of baby outfits, onesies, hats, socks, blankets and toys are most welcome. We also accept lotions, powders, and anything of that sort. Diapers are sorely needed, so if you don't want to buy baby clothes, please pick up a bag of diapers at Walgreen's – size newborn to six months. In addition, the Mission welcomes gently used baby clothes.

Sue B and Sue M provide a wonderful brunch for all at both coffee hours, so to make this an even more festive event, it's worth your time and effort to please make a donation. If you can't be at church on May 13, feel free to drop off donated items at the office during the week before or week after.

If you would care to give a hand in setting up Dade Hall for the brunch the day before (on Saturday, May 12) please contact the church office or Sue Blomberg (suesue22@pacbell.net). As always, we are grateful when a few people stay behind to put away tables and food. Thanks!

St. Luke's has been supporting the Bayview Mission for a long time with donations of items on the following list. Parishioners bring donated items to the church office year round, and these gifts are taken to the Bayview from time to time. Please know that these everyday items are out of reach for many people, and they are so appreciated by the recipients. Your generosity will help make Mother's Day special for them.
