### Director's Message

Welcome Spring!!!

We hope you all had a wonderful Easter break. We are excited to spend the month learning all about Weather, Animals & Bugs!

This month we will learn about the lifecycle of a butterfly AND the lifecycle of ladybugs. We will read books and do hands on activities, such as working with our very own caterpillars and ladybug larvae.

We will also be discussing weather and some classes will make their own clouds and/or snow!

Spring Picture Day is on 4/14 & 4/15. Cap & Gown photos will be taken of our Pre-K and TK classes. We will be sending home a flyer with the background choices, shortly!

Please remember to send extra water for your child, since as it begins getting warmer the children are extra thirsty!

### April Birthdays

Waylon K. - 4/11  
Maggie W. - 4/12  
Samuel R. - 4/26

Below are the "Growing in Grace & Gratitude", weekly lessons for our preschooler's:

### April 6<sup>th</sup>

He is Risen!  
Matthew 28:1-10  
Goal: To celebrate and give thanks for Jesus' resurrection.

### April 12<sup>th</sup>

Jesus will always be with us  
Matthew 28:16-20  
Goal: To Trust Jesus' words: "I am with you always"

### April 19<sup>th</sup>

Only say the word  
Matthew \*: 5-10, 13  
Goal: To marvel at an example of great faith.

### April 26<sup>th</sup>

Jesus Walks on Water  
Matthew 14:22-33  
Goal: To trust in Jesus when we are afraid.
