### Director's Message

Welcome Spring!!!

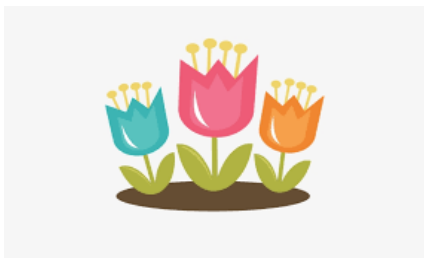

We are excited about our Spring thematic unit where we will learn all about Weather, Animals & Insects!

Throughout this month we will learn about the lifecycle of a butterfly AND the lifecycle of ladybugs. We will read books and do hands on activities, such as working with our very own caterpillars and ladybug larvae.

We will also be discussing weather and some classes will make their own clouds and/or snow!

Please remember to send extra water for your child, as it begins getting warmer the children are extra thirsty!

Pre-K & Tk families, please save the date! Our Pre-K graduation and TK moving up ceremony will be 5/15.

### April Birthdays

Bria B. - 4/10

### TK Sight Words

4/2 - your, that, away  
4/8- of, out, has  
4/15- help, have

4/22- Begin Review

### Christian Education:

Our Bible story theme for April is:

"The Story of Noah - I Can Be Faithful Like Noah"

Verse: "Noah did everything just as God commanded him.  
Genesis 6:22

Objective:  
To know that God wants us to be faithful to Him.

This month the children will explore the timeless and faithful story of Noah's ark. They will discover that Noah was faithful and obeyed God even when everyone else had forgotten Him. The children will learn why God gave Noah instructions to build an ark on dry land and that God keeps his promises!

Topsail Presbyterian Church warmly welcomes your family to worship on Sundays at 8:15 a.m. or 10:30 a.m.

Our 10:30 a.m. worship service includes the Children Sermon followed by Sunday School. The nursery is available during the 10:30am service for ages 2 and under.

We hope that you will join us!

Wishing our preschool families a happy and wonderful Spring!
