### **Director's Message**

Happy New Year! We wish you much joy and blessings for 2026!

Registration for the 2026 - 2027 school year will begin January 20th. As a current preschool family, you will have the first opportunity to enroll your child before we open the registration to the community on January 26th. There will be more details regarding priority registration coming soon!

We will be conducting student evaluations throughout the end of the month into February. These progress reports help both the teaching staff and parents see how your child is performing both academically and socially, these reports will be sent home with your child on 2/12.

As we get deeper into the winter months, please remember to send your children to school in weather appropriate clothing. As the weather permits, we try to take the children outside daily to get the wiggles out.

We will be celebrating Father's Day this month, since we are not in school in the month of June. More information to follow regarding our "Donuts for Dad" event on 1/29.

We are looking forward to a fabulous start to the new year!
