

Campus Connection Card

1. Connect with each other.

We want you to connect with the people in our organization and become friends with them. We do that by getting to know one another.

2. Connect with God.

Discuss the illustration on the back of this card which explains how we can have a relationship with God.

3. Connect with other Christians.

Look up these verses together and discuss what they say:

- * You need a spiritual family (Hebrews 10:25)
