Congregational Meeting

Sunday, January 13, immediately after worship, we will meet to discuss the repayment of our roof loan and our need of a new air conditioner for the Sanctuary.

Room in the Inn

Each night you host Room in the Inn, you become a light ... a reflection of the divine light that has burned since the beginning of time. This light may be a warm smile, a delicious meal, or crisp clean sheets on a comfortable bed. Your light, combined with many others, creates a beautiful glow of hope where none existed before.

***Yet in thy dark streets shineth the everlasting light;
 The hopes and fears of all the years are met in thee tonight.***

We are grateful for you and the light you bring! If you wish to provide light again, there are a few open spaces on some of the nights we are hosting. Please sign the sheet in the Narthex.

Individual Giving Envelopes for 2019 are in the Narthex.

New Bible Studies

Wednesday, January 9, 6:30 pm, we will begin 2 new 6-week Bibles Studies at Brush Hill. If you are a regular to Bible Study or have yet to start, we hope you come and join us for one of these life-affecting studies!

One is a book-based study for ladies titled, “She’s Got Issues”. It is a study that covers 6 issues women often struggle with (insecurity, comparison, fear, anger, unforgiveness, and control) and explores God's answers to these struggles. This study will be led by Lori Odom and Ginger Pahl.

The other is a titled, “The Wondrous Grace of God”. It is a chapter-by-chapter study of the book of Galatians and will be led by Brother Kenny.

A Life on Purpose

Do you ever wake up in the morning wondering what you are making of your life? Do you ever grow weary of just going through the motions because you have yet to find meaning in what you do? Do you ever worry whether all the things you busy yourself doing are what truly matters to God and makes a difference in people’s lives? Do you long to serve and honor Christ but feel lost when it comes to actually doing it? If so, you are not alone. In a world that seems to pull us in countless directions, one of the best things we can do is learn to embrace our place, position, and purpose. Join us this Sunday as we explore **Luke 3:15-20** and discover the benefits of living “A Life on Purpose.”

Brush Hill Book Club

Tuesday, January 8, 7:00 pm, Paul Tucker and Megan Sanderson will lead a new book club. We will compare book content with Scripture and experience. Our first book is Shane Claibourne's "Jesus for President".
