

## Inclement Weather Policy

We follow Gwinnett County Public School's calendar for our holidays during the school year as well as cancellation of school due to bad weather. Whenever they cancel for snow or bad weather we are closed as well. We **DO NOT** add days to the end of the school year to make up these days. Instead, we have added the following days to our calendar:

1. All scheduled snow make-up days that Gwinnett County is off – we are open
2. We have extended the school year by two days
3. The first week of school (before Labor Day) is a tuition-free week

With having this policy in place we think it will bring a little more consistency to the school year.
