News

Thomas & Nancy Coleman have once again hosted a spectacularly wonderful Christmas Party for us. We are truly blessed to have them as our friends.

Beth Sheahan is sporting a colorful face and aching arm, knee, & hip after fall at the YMCA.

Susan Rogers is sporting some new boot after breaking a bone in her foot getting ready for church!

Peaches' husband Rich is in a lot of pain waiting for a knee replacement.

Jack Boose has made it to cards & church. Hurray!

Talmadge is still recovering from his knee replacement. We hope to see him in January.

Joyce is getting out and about. It is fantastic to have her joining us again.

Susan will be traveling to Costa Rica **Thurs. Jan 25** and won't be home until sometime early **Sat. Feb. 3 morning**. She will appreciate all your prayers for traveling mercies during her trip. She would like to thank you for your generous Christmas gift. It has bought some nice traveling pants & for the warm muggy weather in Costa Rica. Are you jealous!
