HOPE HOUSE MOMMY MALL

This quarter, we are collecting baby goods for the Hope House Mommy Mall. Not only does Hope House do pregnancy testing/limited ultrasounds (read by a local **obstetrician**) and counseling, but they offer online parenting classes from prenatal through the child's first birthday where parents can earn points to redeem for

new baby items at the Mommy Mall by attending classes, prenatal visits, and attending church. Parents can continue online lessons without earning points from ages 1-3. Some in-person classes are starting back. **Items most needed:** Newborn up to 2T boys clothes, breastfeeding supplies (breast pumps both manual & electric, bags for breast milk, nursing pads); Dr. Brown or Philips Avent bottles and bottle brushes, play mats, mesh or plastic baby tubs, tummy time pillows, thermometers/healthcare kits, diaper bags, bouncers, baby carriers for carrying baby close to mom, baby shampoo, diaper bags and size 5-7 diapers. See the board above the Helping Hands box for other needs. Hope House also needs volunteers to work with women in online parenting classes.

SESSION REPORT DELAYED

The Session would like to express appreciation to all who participated in the February 15th Open Door Town Hall, and especially, Josh Bowers, for moderating the event. It provided information for a good discussion at this week's Session meeting Tuesday, February 17.

The Session minutes will be sent via email and put on the lobby table as soon as we are able to provide them to the congregation.
