I understand that, in the event my student requires medical or dental treatment while engaged in the activities either on or off campus at First Baptist Paris, reasonable efforts will be made to contact me; however, if I cannot be reached, I hereby consent and give permission to the ministry's sponsor, acting on behalf of the ministry with respect to the activity, as agent for me, to consent to any medical treatment deemed medically necessary, including but "not" limited to: x-ray examination; injection; anesthesia; medical, dental or surgical diagnosis and treatment; and hospital care and treatment advised and given by a licensed physician, surgeon, dentist, or registered nurse, either as an outpatient or in a hospital. I further agree to indemnify and hold harmless any medical professional or church leader from loss, claim, or liability who provides authorization, medical, or first aid treatment to my student as deemed appropriate. I also give permission to the treatment facility to surrender physical custody of my student to the sponsoring agent's representative after treatment has been provided. To the best of my knowledge, I have disclosed and listed above all medical allergies, medication being taken, medical problems/conditions and pertinent information for the student indicated on this medical consent form.
