*On mission to make and multiply disciples of Christ in our neighborhoods,
among the nations, and of the next generation.*

God and Money - Greg Francis - Begins September 6th

This class will overview a selection of the 2,000+ Biblical references to wealth and prosperity. We'll explore why Christians should be some of the best budgeters, keeping their priorities in order and discuss how to establish a monthly home budget for both short and long-term planning. As good stewards, we want to faithfully manage the finances God blesses us with.

Soteriology - Greg Francis - Begins September 27th

Study with us regarding God's great gift of salvation - the purpose of which is to bring glory and honor to Himself. We'll touch on many doctrines within soteriology such as depravity, election, the gospel call, regeneration, conversion, justification, adoption, sanctification, perseverance, and glorification. Come remind yourself of the goodness of God in His plan of salvation.

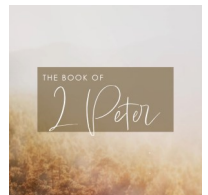

The Life of Joseph - Paul Roberts - Begins September 6th

The life of Joseph is a powerful testimony to God's sovereign providence. Joseph foreshadows the rejected yet exalted Savior who brings salvation to those who once opposed Him. Joseph's story reminds us that what people intend for evil, God sovereignly uses for His glory and the good of His covenant people.

2 Peter - Steve Hargett - Begins September 6th

Alarmed by false teachers, Peter called on Christians to grow and become strong in their faith so that they could detect and combat the spreading apostasy. He strongly stressed the authenticity of the Word of God and the sure return of the Lord Jesus. Peter reminds us that we too must understand and grow in the knowledge of Scripture in order to recognize apostasy today.
