GET INVOLVED

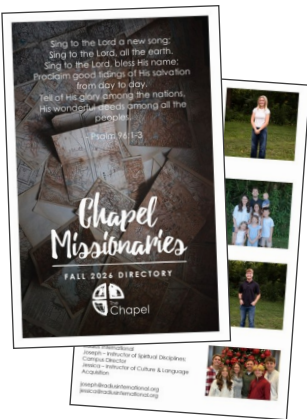

Care Teams

Our goal is for each Chapel-supported missionary be represented by a **Care Team**. A Care Team is a small group of committed people who come together to care for their missionary in a variety of ways, striving to help meet their physical, emotional and spiritual needs. With this group of people, the missionary can be open and honest, sharing their needs, their successes, and their defeats. Learn more about Care Teams in the lobby.

International Ministry

The Chapel Mission Leadership Team is developing an **International Outreach Ministry** that seeks to train and equip Chapel members to connect with international students and families in the Cape Girardeau area for the purpose of demonstrating Christ's love and sharing the good news of the Gospel. As God brings "the nations" to our neighborhood, Chapel members will seek to develop relationships with students and families in order to serve them and be a source of encouragement and hope on campus and in the Cape community. One specific way to do this is with the Lighthouse Ministry's Monday night free international dinners. If you would like to learn more about how you can be a part of this ministry to the international community, please contact Jeremy Kallin at 573-334-5948.

Meet the individuals our church partners with to reach people with the good news of the Gospel both here in our community and around the world in our **Chapel Missionaries Booklet**. Join us in praying for and encouraging them as they serve the Lord.
