

# CAPE BIBLE CHAPEL **RENEW 2020** LOBBY RENOVATION PROJECT

## **FURTHERING OUR VISION**

- By creating an atmosphere that brings glory to God and encourages gospel-centered community.
- By designing a place that will help visitors easily connect through a clearly visible Welcome Center.
- By providing opportunities to gather for coffee, fellowship and access to Biblical resources.
- By enhancing our ability to host ministry events.

## FACILITY IMPROVEMENTS

- Addressing the buildings structural needs.
- Improved access and updated library check-out system.
- Adding additional lighting, brightening the overall space.
- New bold, directional signage.
- Installing new versatile and noise-reducing flooring.
- Replacing stained and broken ceiling tiles with moisture resistant decorative tiles.
- Creating a multi-use space with furniture that can be used in a variety of ways.
