

2019
Mexico Caravan Ministries Mission Trip
Application

Name: _____

Phone: _____

Grade (Fall 2019): _____

General Information

- **Dates:** July 14-20, 2019
- **Location:** Tijuana, Mexico
- **Students:** Available for students entering 9th-12th grade (or graduating) in fall 2019
- **Ministry:** Mexico Caravan Ministries (www.mexicocaravanministries.com)
- **Mission:** Mexico Caravan Ministries focuses on two things- **service** and **mobilization**.
 - **First**, they meet the need of the poor in their community by construction of homes for them. We will build 3 homes in our time there. There's also one day where we'll visit an orphanage and hopefully one day we will visit Radius International.
 - **Second**, they also train disciples for Christ. They understand that the greatest work God does on a mission trip is in the hearts of those who go. They emphasize teaching, worship, and group time to get students to think about what God is calling them to in their lives to reach the world for Christ.
- **Team:** Selected high school students and a few adult leaders. Team will consist of about 15 people.
- **Process:** Students will apply to go on the trip and then go through an interview process to be on the team. Those that go must raise their own support for the trip. Our team will raise funds together and individually. Each student must also find two prayer partners who will support them throughout the process of preparing for and going to Mexico. We will have at least 5 monthly meetings to help students stay on track in fund raising as well as talking about missions and their own spiritual walk. After the trip, we will debrief the experience for a few meetings and give testimonies and a report to those who helped send us.
- **Total Trip Cost:** \$18,460
- **Shelters:** \$895 each- we plan to build 3 homes
- **Student Cost:** \$1,050 per person (includes airfare, passport, food, fees, projects, etc)
- **Fundraising:** Most fundraising will be done individually through each student's own personal contacts who may be interested in giving towards the cause. Andy will help students understand the process and help them stay on track. We will also do a Mexican dinner fundraiser as a group to raise funds.
