**Our mission** is to welcome all families and provide a program that reflects the highest values and best possible care while providing quality education for young children. We welcome families of all faiths and strive to provide a program that is inclusive, culturally diverse, and designed to meet the needs of our community. We want every child to experience and share the love of God and to take this love with them into the world.

**CFLC provides** childcare in a full-time, year-round program for children 6 weeks to 5 years of age. We support the essential nurturing provided by parents along with a curriculum that promotes each child's individual social, physical, emotional, and cognitive development.
