I have been made aware of the waiting list policy as stated. By signing below, I acknowledge that my child has been placed on the waiting list for enrollment at Children First Learning Center. ******Children First Learning Center maintains a waiting list for children when space is not available. A waiting list application is automatically purged after one year from the date of application. If a parent wants to remain on the waiting list after one year, he/she must contact the center to update the child's application. The priority for admission is 1) children of First United Methodist Church members, 2) children with a sibling currently enrolled in CFLC, 3) children from the general public. The waiting list applications are placed in order of the date of receipt.******
