

Shower Policy – written 4-22-14 by Women’s Ministry Team & forwarded to EMTS. EMT approved, as written on 11-3-14, and forwarded to Church Board.

Baby Showers:

A church-wide baby shower will be offered if the married mother-to-be is a member or regular attendee at Cornerstone Church and this is her first child.

Church-wide means that everyone at church is invited and the shower is advertised in the bulletin and calendar and will be organized by our Women’s Ministry shower coordinator.

A “Sprinkling” may be offered if a church-wide shower is not given.

Sprinkling: A basket will be placed by the Welcome Center for gifts or cards.

Women’s Ministries will give a Lamb Bank to each and every little new one God brings into our fold, welcoming them into our flock.

Our facilities may be used to hold showers given by friends or family but will not be considered a “church-wide” shower and will not be advertised to the congregation or coordinated by our Women’s Ministry shower coordinator.

Please see our Facilities Rental/Use Policy.

Wedding Showers:

A church-wide wedding shower will be offered if:

- One or both of the individuals is a member or regular attendee at Cornerstone Church.
- The couple will be issuing a church-wide invitation to the wedding and reception.
This policy will protect the couple from feeling obligated to invite the entire congregation when a smaller wedding is planned.

Our facilities may be used to hold showers given by friends or family but will not be considered a “church-wide” shower and will not be advertised to the congregation or coordinated by our Women’s Ministry shower coordinator.

Please see our Facilities Rental/Use Policy.
