Family Fun Day - Friday

DIRECTOR'S CORNER

This month brings many fun activities including: spring weather changes, watching caterpillars and ladybug larvae change, Easter, and Earth Day projects.

We will be learning about plants and filling our playground planters and deck boxes. We will also be filling the bird feeders along the back path of the school.

Remember, to check out the classroom bulletin boards and hallways for a "peek" into the activities that are going on!

Summer Camp is filling nicely! We will be opening registration to families outside of our school shortly. Please stop in the office if you have any questions or need a registration form.

We are always in need of substitutes during the school year. Please stop in the office for more information if you are interested in becoming a substitute.

The last tuition payment for the school year is due on April 1st!!! Please see Pam or Kristin in the office if you have any questions regarding your bill!

Look for information on our Spring Family Service Project and Social on April 4th and **RSVP** to gloriadeipto@gmail.com. We look forward to seeing you there!
