DIRECTOR'S CORNER

We were so happy to have so many families join us at our Thanksgiving service this year! Thank you to everyone for your generous donations to the Somerton Food Bank!

This month we will be learning about holiday traditions celebrated among our families and sharing the story of Christmas in our classrooms. It's a busy month filled with holiday preparations. Please take a moment to notice the special tree decorated by the Preschoolers as you enter and leave the building!

Once again our service project will be collecting NEW hats, gloves, and mittens to give to Cradles to Crayons, a charitable organization in the Philadelphia area. This is a wonderful way for the children to learn about "helping others" during the holidays. Thanks in advance for your participation!

The 2019/2020 school year survey has been distributed! We ask that current 2 and 3 year old parents complete the survey and turn it into the preschool office. A survey can be filled out for new students you may be enrolling as well. We use this information to plan our classroom schedule for the new school year. This is not considered registration, but an informal questionnaire.

CHRISTMAS SERVICE PROJECT

Each year we try to support an organization in need during the holiday season. We are once again collecting NEW hats, gloves, mittens and scarves to give to Cradles to Crayons. Donations are due at school by Wednesday, December 19th. Donations can be given to the teachers to hang up outside their classrooms or placed in the designated box by the Preschool Christmas

Tree.
