MESSAGE FROM SCOTT LERWICK

2019 was an excellent year for Thurston Christian Church! We were honored to have Pastor Elliot join our team to lead our Worship and Student Ministries. With his leadership, these ministries are growing and expanding.

We also had a record number of first-time and second-time guests visit us with an overall retention rate of 27%! This rate represents those who came for the first time in 2019, and are now actively involved in the life of the church. We could not have done this without your help, so thank you!

In 2020, we have some lofty goals to reach more people with the truth of the Gospel in our community. With 80% of our community in need of Jesus, I believe our work is cut out for us. To reach these goals, it will take a team effort with all of us pulling together to lead more people than ever before, to KNOW Jesus, to GROW in Jesus, and to GO serve Jesus!

I am excited for what God has in store for us as we continue to do His work in 2020!

Scott Lerwick
Lead Pastor
