To the Gentiles

To the weak

The Boundary

Not lawlessness

Christ as the Governing Authority

Freedom with Guardrails

The Driving Motivation

Evangelistic Urgency

Shared Blessing

Christlike Pattern

How does this shape us?

“So the logic of mission is this: The true meaning of the human story has been disclosed. Because it is the truth, it must be shared universally. It cannot be private opinion. When we share it with all peoples, we give them the opportunity to know the truth about themselves, to know who they are because they can know the true story of which their lives are a part.”

-Leslie Newbigin

Review Lesson 5, Questions 5

- Your Identity in Christ is bigger than your disagreements
- You share in Christ’s authority and triumph
- Live now in the light you will be then
