

**Growing closer to God
and each other in the
great outdoors!**

Retreats are an outstanding opportunity for the youth and counselors of St. Paul's to grow together as the body of Christ. At Camp Wartburg we will have the chance to grow in our faith while having some fun too. I hope you can make it! God's Peace be with you!

Spring Retreat**

High Ropes Course

Saturday morning we will be doing the High Ropes Course as a way to help and encourage one another on the course. Sometimes in life we need friends to encourage us along the way, this will give the confirmands an example to look back to while on their journey of confirmation.

Lodging

We will be staying in the newer retreat houses at Camp Wartburg. The guys and the ladies will stay in 2 different cabins. There will be bunk beds but you will need to bring a sleeping bag, pillow, and towel. We will not be staying up all night! We will also have a common room to hang out and play games together!

Transportation

We will either carpool or take a bus and a few cars. Please let me know if you would be available to drive either day.

EXAM REVIEW

Half of this retreat will be giving the Confirmands a chance to grow as they encourage one another through their faith. The other half of the retreat will be reviewing for the upcoming Exam. We want your children to be as prepared as possible so that they feel sure of what the Lutheran faith has in store for them!

Food

Camp Wartburg staff will be preparing meals for us. Three meals are included in your cost. We will provide a late dinner of pizza on Friday when we arrive at camp. **Please do NOT bring food or drink unless you have dietary restrictions.** We will also have s'mores and water at the campfire later that night!

Electronics

Electronics will not be necessary on this retreat. If your child absolutely needs their phone for safety reasons, it will be given to an adult to keep throughout the 24 hours. They are their to study and engage with one another.
