ST. PAUL'S

THE MOMCO EXPERIENCE

We welcome all moms. We give women room to grow. We connect moms together. We show up in a mom's world where she is. We talk about real things in honest ways and provide practical help, education and resources to help her feel more equipped as a mom, woman and leader. When mom's are resourced, they elevate everyone around them.

A meetup includes breakfast light devotion and an opportunity to connect with other moms. It usually includes practical teaching through speakers, demonstrations, or video. Sometimes we get crafty, join hands to help the community, meet up for play dates or moms nights out, and we always have fun!

This is a judgement free zone. We are all moms. We face similar challenges. Give each other and yourself grace to show up as you are and we will love you just the same, if not more!

LET'S BE FRIENDS, XOXO!
