Stewardship and St. Paul's Lutheran Church Mission

God has generously blessed each of us with Time, Talents, Treasures, and The Gospel. In response, we joyfully share our Time, Talents, Treasures and The Gospel while giving glory to God. Through the work of the Holy Spirit, as we serve St. Paul's ministries, the church grows; as we strengthen the faith of others, our own faith is strengthened. The heart of Stewardship is to share the Gospel for the purpose of making disciples. In short, this is St. Paul's Mission: Strengthen the saved; Save the lost.
