

St. Paul's High School Youth Summer Mission

Your group will come alongside existing organizations to meet ongoing needs through food and clothing distribution, home repair projects, community beautification projects and youth programming at a local community center. You'll learn more about the community by participating in Evening Activities where you'll explore the community, visit the beauty of the Falls and share a time of fellowship with partners and community members. YouthWorks has been serving in Niagara Falls since 2003.
