

Kinasao Lutheran Bible Camp

What's happening in 2021?

Greetings from Kinasao!

You may be wondering what 2021 is going to look like at camp this summer – so are we!

While there are still many unknowns about the impacts of the ongoing COVID-19 pandemic and restrictions, we are actively planning and preparing to have guests on site this summer. Here's what we have in the works given the current guidelines.

Campground. Our campground reservation system is up and running for you to book your summer camping getaway. All of our community events are postponed at this time, and public gathering locations are closed. Washrooms, laundry facilities, and playgrounds are open. Daily reservations are available from May 15–Sept 15. All of our long term sites have been booked for 2021.

Rentals. Mt Olive Lodge (our small retreat cabin) is available for rental by **one immediate family unit**, following the private residence guidelines. It's a great space for your family to get away, enjoy the ski trails, snow shoeing, or ice fishing in God's beautiful creation! The Retreat Center is available for day use only by groups of up to 30 people. Food and beverages may not be present or served. All COVID-19 restrictions such as masking and social distancing must be followed at all times. Individual cabin rentals will be available to families and individuals again this summer.

Programs. Kinasao is planning to run Day Camp programs for ages 5–14 throughout the summer. We will also be offering Family Getaway programs. Things will look a little different as we are limited by gathering numbers, cohorts, and family bubbles, but we look forward to running our high quality programs to kids and families ready to get experience nature together while making wonderful memories this summer! Registration will be available by Feb 28 on our website. If you're too far to commute, consider booking a spot in the campground, or a cabin rental while your children are in camp!

Sunday Worship. Sunday worship is happening each week at 11:30 am in the Retreat Center. Pre-registration by emailing darin@kinasao.ca is required. We will transition back to our regular worship services in the chapel on May 23. Watch for further details on the website. At this point in time, cinnamon buns and BBQ lunch will not be available.

Make sure to follow our Facebook, Instagram, E-newsletters and website for updates as they become available! We hope to see you in person at Kinasao this summer!

Blessings,

The Kinasao Leadership Team
