Dietary Restrictions: Kinasao is able to accommodate most dietary restrictions and allergies. Please include a list of dietary restrictions on your Rental Information Sheet, which must be returned to Kinasao 2 weeks prior to your arrival. If we are not made aware of dietary restrictions ahead of time, we may not be able to accommodate them.

We do not accommodate kosher or halal diets (halal guests can be listed as vegetarian). Those with extreme allergies are asked to be aware, with grace, of the limitations of our kitchen. While we are able to provide gluten free meals, the risk of cross contamination is a possibility.

Service Details:

- Meals are served buffet style. Please be conscious of portion control.
- All guest groups are asked to bus, scrape and sort their dishes to our dirty dishes bins. From there, Kinasao staff will take over if dishwashing services have been hired, otherwise, instructions will be given to the guest group in running the dishwasher and putting away dishes.
- Have a specific menu request in mind? Let us know! We'll see what we can do to incorporate your suggestions.
